

மரம் நிறைய காய். குடும்பம் வெறுங்கையோடு.

THE TREE IS HEAVY WITH FRUIT. THE FAMILY HAS NOTHING.
And every party walks past on the road above.

பஞ்சம் இல்லை. விலை இல்லை.

This is not a picture of drought or crop failure. The tree has borne well. The fruit is there, and much of it is on the ground. What is missing is a price — ₹4 to ₹5 a kilo against the ₹15.45 the Government itself notified.

வாக்குப் பெட்டி அந்தக் குடும்பத்திடம்தான் இருக்கிறது

The ballot box in this picture is beside the family, not beside the road. That is the only thing in the scene that the family controls, and it is worth exactly as much as anyone else's in Tamil Nadu.

ஒரு கட்சியை மட்டும் குறை சொல்லவில்லை

Every banner on that road is drawn the same size and the same distance away. We are not claiming that one party did more or less than another — we have no evidence for such a claim and we will not make one. We are saying what growers here have seen: the procession passes, and the price does not change.

யார் நின்று பார்க்கிறார்களோ, அவர்களுக்கு எங்கள் நன்றி. நிற்பவர் இன்னும் இல்லை.

Whoever stops will have our thanks. The road is still open, and so is our vote.

Price figures: Market Intervention Price of ₹1,545.41 per quintal notified for Totapuri in Tamil Nadu, 2026; farm-gate prices as reported by growers in the belt. This is a satirical illustration of the growers' own experience. It depicts no individual, and makes no allegation about the record of any particular party — every party is shown alike.

மக்கள் இரண்டையும் பார்க்கிறார்கள்.

PEOPLE WATCH BOTH — WHAT IS SAID BEFORE, AND WHAT IS DONE AFTER.
The second one is the only one that counts.

தேர்தலுக்கு முன் BEFORE THE ELECTION

தேர்தலுக்குப் பின் AFTER THE ELECTION

சொல்வதற்கும் செய்வதற்கும் இடையே உள்ள தூரம்

Between the left panel and the right panel there is nothing except time. The tree is the same, the family is the same, and the price is the same. Growers in this belt have described a tripartite meeting at which a price of ₹12 a kilo was agreed, followed by purchases at ₹3 to ₹5 once the harvest began. That is the gap this poster is about.

எனவே நாங்கள் வாக்குறுதி கேட்கவில்லை. கையொப்பம் கேட்கிறோம்.

Promises are free and are forgotten. So we ask instead for something that can be checked: a written pledge, signed, naming what will be done and by when. We will publish the names of those who sign, and of those who do not.

நான்கு எளிய காரியங்கள் — ஒரு ரூபாய் கூட செலவில்லை

Publish weekly what was procured and at what price. A daily price board at every pulp unit gate. A grievance number that answers. And the season's price announced in December, before flowering. Any of these can be ordered by the District Collector, without a rupee of new spending. Refusing them is a choice, not a constraint.

தேர்தலுக்கு முன் வருபவரை நாங்கள் நினைவில் வைக்கிறோம். தேர்தலுக்குப் பின் வருபவரையும் நினைவில் வைப்போம்.

We remember who comes before the election. We will also remember who comes after it.
